

## Ingenuity Ensures Quality, Service Builds Brand

Starting the journey in 1996, Zhejiang RuiLi (CNRL) Auto Parts Co. Ltd integrates the development, design, production, testing, sales, and service into one and specializes in manufacturing various fasteners. Our main products include a wide variety of products ranging from bolts, studs, screws, nuts, shafts, pins, washers, retaining rings, and others. Owing to the high quality performance, all our products are extensively used in automobiles, urban light rail projects, construction machinery, and tool manufacturing industries.

Customer-centric, talent-based.  
Develop high technology and realize industrialization

Respect Gratitude  
Cooperation Win-win

# RUILI

### Best Partner

We will always take the needs of customers as our first goal. Always people-oriented and customer-centric. Wish to be your partner on the way to success!
